Hospital Peer Review
1990 Index

Accountability system may reduce utilization problems, SEP:139
Agency for Health Care Policy and Research
Congress creates, JUN:81
will physicians fudge on guidelines, JUN:84
AIDS
federal grants available for related services, OCT:155
resources, network helps discharge planners find resources, OCT:153
Ambulatory care
identify sentinel events and develop standards of care for, NOV:172
requires meticulous QA plan, OCT:160
document results of peer review for, DEC:189
Ambulatory QA
grants worth $3 million available for, AUG:125
Ambulatory surgery risks, MAR:48
American Association of Retired Persons
wants national health plan, AUG:128
American Medical Association
and Rand reach agreement, JUN:96
council raps inappropriate use of severity systems, NOV:171
lists practice parameters, DEC:192
practice parameters don't add risk, NOV:176
vows to end external reviewers' intrusion, MAR:45
Anesthesia QA program considered physician-friendly, JUL:113
Anti-dumping regs
don't take lightly, OCT:151
threaten hospitals' Medicare status, JUL:109
Base guidelines on quality not cost, MAY:80
Beware of stiff penalties for Medicare fraud and abuse, JUL:107
Bill would extend QA to all settings, payers, JUL:101
Blue Cross and Blue Shield Association
introduces new testing guidelines, JUL:116
Michigan Blues tie pay to utilization, quality, JAN:20
Can U.S. hospitals duplicate industry's success with quality improvement, FEB:23
Case Management Resource Guide, JAN:14
Case managers
achieve "Goldilocks level of care," JAN:11
geriatric, MAR:44
unit-based program boosts efficiency, FEB:30
Catastrophic Coverage Act
don't let repeal kill hope for coverage, JAN:7
what's covered after repeal, JAN:9
Cleveland Health Quality Choice Project
launched, NOV:176
Clinical standards
patient outcomes, JAN:16
will physicians resist implementation, JAN:18
Coding errors skew death rates, FEB:32
Commission rewards best hospitals, SEP:144
Committee recommends plan to improve QA and PRO programs, MAY:71
Compendium of Clinical Protocols
Criteria and Efficacy Research, JAN:20
Computerization improves quality, AUG:128
Congress creates agency to improve health care quality, JUN:81
Congressional investigators didn't find PROs
tough enough, MAR:35
Court OKs closing staff due to concerns about quality, SEP:143
Creative discharge tactics needed for the homeless, APR:59
Credentialing
economic is fine for tightrope walkers, APR:49
focus on current competence for performance-based, JUN:93
using UR data in credentialing is like swimming with sharks, OCT:147
Criteria compendium released, JAN:20
Criticism places PRO program at pivotal juncture, MAR:33
Crusade to expose unfit doctors meets wall of opposition, OCT:145
Cunningham, Louise S.
Data base system simplifies QA tracking and reporting, MAR:37
Data bank
established hot line, SEP:144
flurry of questions remain unanswered, NOV:175
officials respond to inquiries about, MAY:73
user fees announced, OCT:164
Data base system simplifies QA tracking and reporting, MAR:37
Data show LOS inched up in '89, JUN:96
Deemed status
confidentiality of survey data in peril, SEP:129
Develop comprehensive QA program for renal dialysis unit, MAY:75
Disabled Physician: Problem-Solving Strategies for the Medical Staff, MAR:47
Discharge planning
benefits of observation status, OCT:156
creative tactics needed for the homeless, APR:59
don't be baffled by QA for, APR:58
Pepper Commission plan could enhance, APR:55
Discord lingers despite UR firms' good intentions, JUN:88
Document results of peer review for ambulatory services, DEC:189
Don't be baffled by QA for discharge planning, APR:58
Don't hold your breath waiting for uniform assessment tool, JAN: 10
Don't let repeal kill hope for catastrophic coverage, JAN:7
Don't overlook QA for outpatient respiratory services, JUN:86
Don't take anti-dumping regs lightly, OCT:151
Drug usage reviews yield critical facts about quality, JUL:102
Economic credentialing
fine, for tightrope walkers, APR:49
lawsuit paved way for, APR:51
Educate physicians about QA or risk disaster, APR:54
Education is the key to using UM staff most productively, JUN:94
Educational courses offered for QA/UM, DEC:180
Executives of two PROs indicted, APR:68
External and hospital reviewers strive to smooth relations, DEC:185
External reviews
AMA vows to end external reviewers' intrusion, MAR:45
external utilization management isn't a silver bullet, IOM panel concludes, JAN:4
external UR headaches, standards might alleviate, JUN:90
Federal grants available for AIDS-related services, OCT:155
Fine doctors who protect peers, MAR:48
Firms want to buy quality care, NOV:176
Flurry of questions remain unanswered about data bank, NOV:175
Focus on current competence for performance-based credentialing, JUN:93
Geriatric case managers: Intruders or saviors, MAR:44
Grant ideas shouldn't be flashy, MAR:48
Grants
available for AIDS-related services, OCT:155
worth $3 million available for ambulatory, nursing home QA, AUG:125
Guidebook on Uses of Mortality Data, *MAR:40*
Guidelines
Blues introduce new testing, JUL:116
will physicians "fudge" on national, JUN:84
for UR organizations may reduce hassles, DEC:187
Health Care Financing Administration
acknowledges "social factors" provision, APR:65
explains skilled nursing facility coverage requirements, JUL:106
report on PRO performance deemed preposterous, AUG:117
Health Care Quality Improvement Act landmark decision upholds immunity provisions, MAY:77
Healthcare Financial Management Association praises hospital utilization, JAN:20
Homeless
creative discharge tactics needed for, APR:59
Hospitals benefit from sharing a QA consultant's expertise, JUN:85
How do QI and QA differ
expert illustrates the answer, JUL:99
How will total QI movement affect traditional QA, AUG:122
Huntington Memorial Hospital's case management program, JAN:11
Identify important aspects of nursing care for QA monitors, FEB:27
Identify sentinel events and develop standards of care, NOV:172
Immunity for peer reviewers landmark decision upholds HCQIA's provisions, MAY:77
Informed doctors curb test use, AUG:128
Institute of Medicine
panel concludes that external utilization management isn't a silver bullet, JAN:4
PROs should focus on quality, rather than cost, MAY:69
Is it worth all the trouble to convert from QA to QI, JUL:97
Joint Commission on Accreditation of Healthcare Organizations
ends two accreditation programs, JUL:116
official dispels myths about revised nursing standards, SEP:138
new nursing standards thrust hospitals into QI, SEP:136
release hit from all sides, FEB:32
survey data in peril, SEP:129
survey reports safe for now, JUL:116
Landmark decision
upholds HCQIA's immunity provisions, MAY:77
Lawsuit
paved the way for economic credentialing, APR:51
Legal
risks for PROs and providers reduced by OBRA '89, JAN:1
Wickline precedent challenged, OCT:164
Marin General forges its own pathway to QI, OCT:150
Medicare
anti-dumping regs, don't take lightly, OCT:151
Catastrophic Coverage Act repeal, JAN:7
deemed status in peril, SEP:129
fraud and abuse penalties, JUL:1007
is misunderstood, JUN:96
pays for more skilled nursing facility coverage than you think, JUL:103
what's covered after repeal, JAN:8
Medicare Carrier Review: What Every Physician Should Know About "Medically Unnecessary" Denials, MAR:47
Medical groups urge IG's ouster, DEC:192
Medical Technology Assessment Directory, *APR:65*
Meetings
tight budgets require careful selection of, DEC:182
Michigan Blues tie pay to utilization, quality, JAN:20
Mortality rates
coding errors skew, FEB:32
overcome barriers to using mortality data in QA activities, MAR:39
publication shows how to use mortality data in QA activities, MAR:40
unrelated to quality, OCT:164
Multispecialty physician
clinic QA plan, OCT:162

National Association of Quality Assurance Professionals
forms educational foundation, APR:68
Practical Guide for QA, MAR:47
National health plan
AARP wants, AUG:128
National Practitioner Data Bank
established hot line, SEP:144
flurry of questions remain unanswered, NOV:175
officials respond to inquires about, MAY:73
user fees announced, OCT:164
Network helps discharge planners
find AIDS resources, OCT:153
New anesthesia QA program considered physician-friendly, JUL:113
New York hospitals take no chances, MAR:48
Non-departmentalized medical staffs face unique problems, AUG:123
Nursing home QA
grants worth $3 million available for, AUG:125
Nursing QA
define responsibilities for nursing QA program activities, APR:52
identify important aspects of nursing care for QA monitors, FEB:27
new nursing standards thrust hospitals into QI, SEP:136
official dispels myths about revised nursing standards, SEP:138
select efficient way to collect data, MAR:42
OBRA '89 reduces legal risks for PROs and providers, JAN:1
Observation underused despite discharge planning benefits, OCT:156
Official dispels myths about revised nursing standards, SEP:138
Officials respond to queries concerning data bank, MAY:73
Opportunities bright for career advancement, DEC:177
Outcomes clinical standards effects, JAN:16
Outpatient respiratory services
don't overlook QA for, JUN:86
Overcome barriers to effective peer review, DEC:183
Overcome barriers to using mortality data in QA activities, MAR:39
Overcome uneasiness about using physician profiles, SEP:134
Payment source
average LOS linked, MAY:80
Peer review organizations
committee recommends plan to improve QA and PRO programs, MAY:71
Congressional investigators didn't find PROs tough enough, MAR:35
criticism places PRO program at pivotal juncture, MAR:33
executives of two PROs indicted, APR:68
legal risks reduced by OBRA '89, JAN:1
report on performance deemed preposterous, AUG:117
should focus on quality rather than cost, MAY:69
Super-Super PRO bids underway track PRO denials with innovative software system, AUG:126
Uniform Clinical Data Set, NOV:165
Pepper Commission
plan could enhance discharge planning, APR:55
suggests health care reforms, APR:57
Practice parameters
AMA lists, DEC:192
don't add risk, NOV:176
Prospective payment system (PPS) didn't affect quality of care, DEC:192
Providing Quality Care: The Challenge to Clinicians, *JUN:95*
Public Citizen Health Research Group
crusade to expose unfit doctors meets wall of opposition, OCT:145
publishes list of "questionable doctors," SEP:144
Publication explains how to use mortality data in QA activities, Mar:40
Quality assurance
bill would extend to all settings, payers, JUL:101
committee recommends plan to improve QA and PRO programs, MAY:71
data base system simplifies QA tracking and reporting, MAR:37
for discharge planning, APR:58
plan for multispecialty physician clinic, OCT:162
new anesthesia program considered physician-friendly, JUL:113
overcome barriers to using mortality data in QA activities, MAR:39
traditional QA on shaky ground as QI approaches, FEB:21
Quality improvement
can U.S. hospitals duplicate industry's success with QI, FEB:21
creates challenges and opportunities for QA personnel, NOV:168
cuts hospital expenses, AHA says, FEB:32
generates enviable results, AUG:120
how do QI and QA differ, expert illustrates the answer, JUL:99
how will total QI movement affect traditional QA, AUG:122
is it worth all the trouble to convert from QA to QI, JUL:97
Marin General forges its own pathway to QI, OCT:150
new nursing standards thrust hospitals into QI, SEP:136
should serve as basis for practice guidelines, MAY:80
skeptics can observe hospital's QI successes, SEP:132
traditional QA on shaky ground as QI approaches, FEB:21
Quality from the Top:
Working with Governing Boards to Assure Quality Care, APR:65
Quality Management for Health Care Delivery
FEB:32
Quality Standards in Medicine (QSM) software
shows promise as peer review tool, NOV:170
Quest for Quality
APR:65
"Questionable doctors" listed
SEP:144
Renal dialysis unit
develop comprehensive QA program for, MAY:75
Report on PRO performance
deemed preposterous, AUG:117
Respiratory services, outpatient,
don't overlook QA for, JUN:86
Rural hospital finds key to continuity of care
OCT:156
Survey reveals interesting facts
about *HPR* readers, DEC:177
Searcy, Vicki L.
Focus on current competence for performance-based credentialing, JUN:93
Overcome barriers to effective peer review, DEC:183
Overcome uneasiness about using physician profiles, SEP:134
Select efficient way to collect data on quality of nursing care, MAR:42
Severity systems, AMA council raps inappropriate use of, NOV:171
Skeptics can observe hospital's QI successes, SEP:132
Skilled nursing facility
Health Care Financing Administration explains coverage requirements, JUL:106
Medicare pays for more than you think, JUL:103
Social factors
HCFA acknowledges, APR:65
Spath, Patrice L.
ambulatory care requires meticulous QA plan, OCT:160
ambulatory care, identify sentinel events and develop standards of care for, NOV:172
define responsibilities for nursing QA program activities, APR:52
develop comprehensive QA program for renal dialysis unit, MAY:75
document results of peer review for ambulatory services, DEC:189
don't overlook QA for outpatient respiratory services, JUN:86
drug usage reviews yield critical facts about quality, JUL:102
how many reviews are needed to assess quality of care, JAN:6
identify sentinel events and develop standards of care for ambulatory services, NOV:172
identify important aspects of nursing care for QA monitors, FEB:27
non-departmentalized medical staffs face unique problems, AUG:123
select efficient way to collect data on quality of nursing care, MAR:42
work flow analysis can improve QA/UR efficiency, SEP:141
Standards
effect on patient outcomes, JAN:16
might alleviate some external UR headaches, JUN:90
will physicians resist, JAN:18
Stark urges MD recredentialing, JUN:96
Study names ambulatory surgery risks, MAR:48
Super-Super PRO bids underway, APR:68
Survey reports safe for now, JUL:116
Test use
informed doctors curb, AUG:128
Tight budgets necessitate careful selection of meetings, DEC:182
Tiny rural hospital finds key to continuity of care, OCT:156
Track PRO denials with innovative software system, AUG:126
Traditional QA on shaky ground as QI advances, FEB:21
Two groups offer QA/UM educational courses, DEC:180
UCDS: Answer to hospitals' dreams or stuff of nightmares, NOV:165
Uniform needs assessment tool
don't hold your breath waiting for, JAN:10
Unit-based case management boosts efficiency, FEB:30
Use case managers to achieve "Goldilocks level of care," JAN:11
Using UR data in credentialing is like swimming with sharks, OCT:147
Utilization
Michigan blues tie pay to, JAN:20
HFMA praises hospitals' utilization, JAN:20
review firms seek accreditation, APR:68
review guidelines released, DEC:187
Utilization management
education is the key to using UM staff most productively, JUN:94
external UM isn't a silver bullet, IOM panel concludes, JAN:4
Utilization Review Accreditation Commission
discord lingers despite UR firms' good intentions, JUN:88
formed APR:68
reaches accord on standards, MAY: 80
standards might alleviate some external UR headaches, JUN:90
Veterans Administration hospitals' quality assessed, AUG:128
Vitez QA program considered physician-friendly, JUL:113
Wickline precedent challenged, OCT:164
Will clinical standards, improve patient outcomes, JAN:16
Will physicians "fudge" on national guidelines, JUN:84
Will physicians resist clinical standards implementation, JAN:18
With patience, total QI generates enviable results, AUG:120
Work flow analysis can improve QA/UR efficiency, SEP:141
